NOTES

The first goal is to approach all scripture with humility and prayer.

Have you ever tried to do everything right? To make all the right choices? To do everything exactly how you should do it? Yet no matter how hard you tried you couldn't do everything right? You are not alone. In this week's Parsha, we learn that Noah and for that matter every person ever has the same problems. In Genesis 6:9 we read.

9These are the genealogies of Noah. Noah was a righteous man. He was blameless among his generation. Noah continually walked with God.

When you read this verse, you might think that it is saying Noah didn't ever do anything wrong. But that is not true. What it is saying is because Noah walked we Ad-nai continually Ad-nai considered Noah righteous and blameless. It was walking with Ad-nai that made Noah righteous, and it is walking with Ad-nai that makes us righteous today.
