MESSAGE FROM DON CAULLEY

Dear Grace Church,

We need to seek good advice. Often, we need discernment in how we receive this advice. The Lord does use other people to instruct us in His ways. The question we must answer is: How do we overcome our own selfishness and see where God might be leading us? Whose advice are you listening to and why?

Sermon Series

This week I will cover 2 Samuel 18. In this passage the forces of David and Absalom battle. Absalom and Israel are defeated by David's army. When should we let our feelings and emotions override our strategy?

Other Stuff

There is much going on in the world today. This can lead to much fear. I will be hosting another Hot Topics, and we will discuss the topics of today: protests, elections, and the Christian response to all these things. Also, we will discuss how we can keep from falling into the manipulations of the world. Hope everyone has a blessed week.

Blessings,
Don

O.C.C. INFO

Grace Church: Thank You!

so much for your support of the
**Operation Christmas Child
Dinner & Dessert Auction.**

We had a great time and a lot of fun at the auction.

There are signs & sheets on the large table in the foyer
showing more ways you can help with Operation
Christmas Child.

If you have a large shoe box or boot box, we need
several for our "special boxes" to go with our 300
regular boxes. Also, we would love to have sheets
of stickers to put in the boxes.

If you would like to put notes of encouragement
in the boxes, you are welcome to write some for
the boxes. We will have a drop off area in the foyer.

Thank you again for all of your donations
and help this year.
