Dear Parents,

We are very excited to have your child attend our Young Navigators Bible club this year. Every year we are blessed to watch these kids learn scripture, build relationships with their peers, receive prizes, grow spiritually and just have fun.

Club meets in the DeKorte Building and the Main Building on Wednesday evenings from 6:30 until 8:00pm. Please bring your child a few minutes early each night to check-in with our Secretaries. We also encourage you to work with your child each week to help them with the verses in their handbook. Practicing the verses with them at home really makes a big difference in helping them complete the book.

On the back of this flyer you'll find the schedule for this year's Young Navigators club which includes the nights we have special events and those nights which we do not have club. We will still send home flyers the week before each event, but we know those can get lost in transit sometimes. You can keep this calendar for reference throughout the year, which we hope will be a help to you. You'll also notice that in the column to the right of the calendar shows the course that your child should be on in their handbook to be on pace to complete it by the end of the year. Tiny Trackers have their own schedule, so be sure to check with their teacher for their special events.

Parents, you are also welcome to visit and observe club at any time. Please feel free to contact any of our leaders or me at (918) 720-6570 if you have any questions or suggestions.

We look forward to having you child participate in club this year!
