

“Faith without Understanding”
Small Group Questions
Week of October 11, 2026

Icebreaker:

*If you could be in any movie, what would it be and what character would you play?
Have you ever participated in a trust building exercise? If so, what was your experience?*

Discussion Questions:

1. Spend time skimming, listening (about eight minutes online), or reading aloud John 15-16 together. These two chapters are the longest monologue in the Gospel of John. What themes do you see in Jesus’ message to his disciples?

2. Read John 16:16-24 together.

3. The disciples did not initially understand what Jesus was telling them. This happens throughout the gospels, which ought to make us feel better when we do not understand God’s plans! Has there been a time in your life when you did not first understand how God was working, but he later gave you clarity?

How did you discover God’s purposes in this?

4. Think of a personal relationship (person to person) in which you have grown trust. How did this trust grow?

What were methods, conversations, or themes that helped to grow trust?

5. How have you grown in trust in Jesus over the years?

How are you growing in trust in Jesus now?

How can your small group support you in this endeavor?

Pray to close!
