A life changing experience

We’re excited to take students and counselors to Hume Lake this summer! In the beautiful Sequoia National Forest, Hume Lake Christian Camps is a six day, high-energy, life-changing week you don’t want to miss. Through worship, recreational games, outdoor activities, a key speaker and more, your student will experience the gospel come to life like never before. We believe the community fostered at summer camp is unlike any other setting and is truly tailored for our students here at Centerpoint.

CREATIVE THEME

The theme is a practical link between the entertaining aspects of camp and our presentation of the gospel. We leverage it as a background to Biblical truth.

WORSHIP

Indoor worship, outdoor worship, corporate worship, devotional worship. Hume nurtures the attitude of worship from sunrise to sunset.

RECREATION

The high-energy, innovative games at Hume Lake give campers an outlet for their energy and counselors a chance to encourage team-building.

Packing List

WHAT TO BRING

Bible, notebook, pencil, flashlight, water bottle, sleeping bag, pillow, (I like to bring a fitted sheet so I don't touch the mattress), toiletries, camera, warm and cool clothes, jacket, sandals, athletic shoes, modest one-piece swimsuit (no tankinis), $75 recommended spending money (students cannot rely on apple pay), shower towel AND beach towel.

Check out Hume Lakes camp theme at https://hume.org/lake/ponderosa/#Theme for HS and https://hume.org/lake/meadow-ranch/#Theme for MS . Students will be wearing costumes and outfits to match the theme to win spirit points. Another Hume Lake tradition that is optional is that many HS students will dress up on the last night for dinner. Many wear sundresses or nice button up shirts for pictures.

Additional Information

CABIN ASSIGNMENTS

We will make every effort to place small groups and friends together, however, it may be impossible for every camper to be placed with every friend. Over the years we have found that some of the deepest friendships have begun at camp by students who did not know each other previously. Parent and student flexibility is greatly appreciated.

DEPARTURE

Students and parents will both need to arrive at 7am the Auxiliary lot of Centerpoint (Centerpoints extra parking across the street next to A+ dental) on Sunday July 5th. There, you will check in and fill out any missing paperwork and a small health screening with your student before they can leave on the bus.

RETURN

We will arrive back at the church around 2:30pm in the Centerpoint parking lot. Students will be asked to contact you 30-60 minutes prior to arrival.

PHONES

There is no cell reception at Hume Lake. This is a great time for students to disconnect from electronic devices. They will not need their phones during this trip as ETA and arrival info will be communicated back to you by one of our staff members. Students can easily lose or break their phone while at camp, so if possible, leaving their phones at home would be best. Students may also not rely on Apple pay or Android pay, but will need cash or a debit/credit card. Students may call you from pay phones.
