

Mexico Student Leadership Application

Student Leaders are responsible for casting vision to the team and directing ministry during Team meetings and on a daily basis in Mexico. They should develop their teams spiritually and hold them accountable to growth opportunities. They are expected to help their peers process through their trip as it progresses. Student Leaders should be confident and ready to vocally direct a large group of students in the right direction and want to joyfully walk alongside and answer questions to students who have never been before. Student Leaders are accountable to student ministry director and adult leaders.

Please take the time to fill out these questions so you may be considered as a Student Leader for our Mexico Outreach mission trip.

1. Why do you want to be a student leader?

2. What do you think your spiritual gifts are?

3. Have you been in leadership positions in the past? If so, what were they?

4. Where are you with your walk with God?

5. Which of the following areas are you interested in? (Check all that apply)

_____ **Planning**

_____ **Worship**

_____ **Media**

_____ **Crafts**
