Today we will observe the Lord's Supper (Communion). This special event was given to the Church by Jesus Christ Himself, not as a means of salvation but as a tangible way to remember the penalty Christ paid for our sins. It is intended for all believers but only believers. If you have personally trusted Jesus Christ for eternal life, you are welcome to join us in this part of our worship service. Parents with small children should discuss the significance of this event and evaluate their understanding before allowing them to partake. If you have any questions, please ask one of our Pastors or Elders.
