## GENERAL

**Lincoln Archer Kruse** son of Noah & Kristina of Ellsworth, was born on Wednesday, May 13. He weighed 7lbs. and 15 oz. and was 21 inches long.

**Moby Brown** of George, husband to Aletha, will have a procedure that will take about 30 minutes today at 1PM at the Avera Heart Hospital in Sioux Falls. This procedure is to help clean up the wound. The nurses commented that they are starting to see some healing in the “bad heel”. Please pray for encouragement and healing for Moby and for wisdom for the doctors and nurses.

**Doris Iwen** of Boyden saw her oncologist on Monday about the PET scan she had done, and it showed that the cancer is growing and she will start a different chemo regimen next week and see if that helps. This kind of chemo can affect her vision, so she will be doing lots of eye drops and seeing her eye doctor to keep an eye on all of that. She appreciates everyone’s prayers!

**Carol Henning** mom to Rick (Mavis) Henning & Amanda Henning, is doing well after her reverse total shoulder replacement surgery last week. She will have a follow-up appointment next Tuesday and will also start physical therapy. Please pray for renewed strength and healing.
