

“YOU’VE ALREADY WON” - Album Credits & Liner Notes

In 1944, a group of believers, led by the prompting of the Holy Spirit, established a church in the West Edgecombe community of rural North Carolina. Over the next eighty-plus years, it would become a beacon of hope and love to the surrounding community. Generation after generation has walked in obedience to God’s leading, and the church has continued to grow—ministering and proclaiming the Gospel not only locally, but around the world.

Music has always played an important role in the life of the church. Though styles of music and worship have changed over the years, the message at the center of it all—God’s love and redemption—has remained the same.

This collection of songs is both a celebration and a testimony of God’s faithfulness and goodness to the congregation of West Edgecombe Baptist Church. Our prayer is that these songs will encourage you wherever you are in life, and that the Lord will use these lyrics to minister to your heart. Most importantly, we pray that He would receive this album as a fragrant offering of praise to His name.

Heartfelt thanks to all the band members, vocalists, choir members, and media team for your hard work, time, and dedication, and for so faithfully sharing your gifts. Thank you to Pastor Matthew Mayo for believing in us and championing this project. Thank you to Rob Novell for his incredible skill behind the mixing board and for helping bring this vision to life. And thank you to West Edgecombe Baptist Church for continuing to lift high the name of Jesus.

With love and gratitude,

Tara Jackson
