

*A Place of Peace and
Beauty for Burial of
Loved Ones*

In this changing world, more people are choosing cremation for interment.

Trinity's *All Saints Memorial Garden* offers a dedicated place for burial of Trinity members and their immediate family.

All Saints Memorial Garden is located in the church court-yard inside the main entrance of the church.

## *All Saints Memorial Garden*

Trinity Lutheran Church's All Saints Memorial Garden is a special place to commemorate the lives of loved ones at the end of their faith journey.

Loved ones are interred in the Garden and a brief history of the person is added to the Memorial Book. A memorial brick with the person's name, date of birth and death will be placed in the Garden's Courtyard.

Each person's ashes are interred in the soil of the Garden in an undesignated space and become a permanent part of the Garden.

The Garden is beautifully landscaped with plantings of groundcover, flowers, and shrubs. The Garden is maintained by the All Saints Memorial Garden committee. To maintain the master design for the Garden, no other plantings are allowed.

Those wishing to use the Garden for interment must complete a Memorial Garden application. A one-time payment is requested with the signed application.

**The one-time payment of \$1000 includes:**

*Interment of Ashes*  
*Name on Memorial Plaque*  
*Engraved Memorial Brick*  
*Garden Maintenance*  
*Administrative Costs*

A copy of the application is available in the church office.

Regardless of your future plans, contributions to the *All Saints Memorial Garden* are most gratefully accepted. Gifts to the Garden will be used towards the master design or maintenance.

I wish to receive a copy of the Memorial Garden application.
