

Cali Youth Breakfast Schedule 2026-2027

Thank you so much for serving on our Sabbath School Breakfast Team! Your willingness to serve each week helps create a welcoming and caring environment for our youth. We are so grateful for each of you. As many schools begin returning this month, including Mesa Grande Academy on August 13, we're excited to continue providing a warm breakfast and a place for students to connect before Sabbath School.

If you know someone who would be a great addition to the breakfast team, please let Pastor Zion know!

Why Your Ministry Matters

1. Our students genuinely look forward to your breakfasts each Sabbath.
2. Sharing a meal creates community, builds relationships, and helps everyone feel welcomed and loved.

Schedule Changes

If you need to switch your assigned date:

- Please contact another breakfast team and confirm the swap with them first.
- Once confirmed, update the shared schedule. If you're having trouble editing the document, contact Pastor ZT for assistance.
- Contact information for each team can be found at the bottom of this document.

If you're unable to find someone to cover your date, don't worry. Pastor ZT is happy to provide cereal, bagels, donuts, or another simple breakfast so the students are still cared for.

Lastly, if your name is misspelled anywhere in this document, please let Pastor Zion know so it can be corrected. Thank you again for serving our youth with such generosity and love. Your ministry makes a difference every Sabbath! Breakfast is served at 10:00am and is open till 10:20am!
