Happy Resurrection Day! We celebrate today because of the incredible love of God shown through the sacrifice of Jesus on the cross, followed by the awesome display of the power of God in His rising from the grave, and how His resurrection brings victory over death for those who believe in Jesus. The Scriptures testify to the truth of Christ's resurrection, on a Sunday morning like this one nearly 2,000 years ago. Jesus is clearly the promised Messiah and the risen Lord.

In Paul's second letter to Timothy, he writes to his protégé about having confidence in the gospel, even in the face of suffering. In the anticipation of his own death (2 Timothy is the last letter written by Paul that we possess) he tells Timothy this: "He has saved us and called us with a holy calling, not according to our works, but according to His own purpose and grace, which was given to us in Christ Jesus before time began. This has now been made evident through the appearing of our Savior Christ Jesus, who has abolished death and has brought life and immortality to light through the gospel." (2 Tim 1:9-10, CSB)

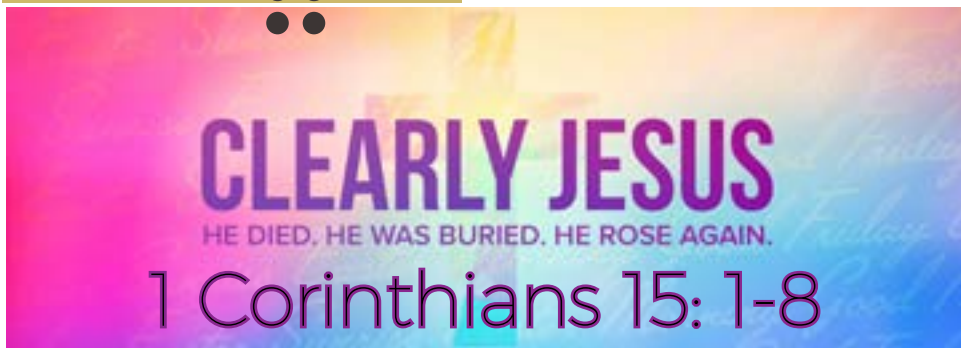

God has done all the work necessary for our salvation. We don't earn it ourselves, and we can never deserve it because of our sins. So God is the One who took the initiative to save, and He planned it before time began! The proof of God's love for us is now clearly visible—it has been made evident—through what Jesus has done on our behalf: He died. He was buried. He rose again. Through Jesus's victory, death has been "abolished"—death itself has been put to death—and through faith in Him, we receive eternal life. This is the message of the gospel!

What a wonderful truth to be able to come together and celebrate this Easter weekend! I pray that Resurrection Day with Eastern Hills is a blessing to you, and that you yourself have experienced God's gracious gift of eternal life through faith in the risen Christ! If you haven't, I'd love to tell you about it!

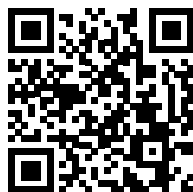

Blessings,
Bill
