LIFE

People helping people live out the unexpected love of Jesus every day.

A Heartfelt Thank You for an Incredible VBS

What an amazing week we shared during Vacation Bible School! As we reflect on the joy, laughter, learning, and spiritual growth that took place, we are overwhelmed with gratitude for our church family, not only at EHBC but those at Anchor and Abide churches as well. We had another amazing year serving together in unity.

VBS would not have been possible without the faithful support of so many people who generously gave their time, talents, and prayers. We appreciate every volunteer who dedicated hours of service to make this ministry a success. Your enthusiasm, commitment, and love for our children were evident in everything you did. You helped create an environment where young hearts could learn about God's love and grow in their faith.

We are also grateful for those who supported VBS through prayer. Your prayers for safety, meaningful connections, spiritual growth, and God's guidance were felt throughout the week. We believe God answered those prayers in wonderful ways as children engaged with Scripture, built friendships, and experienced the love of Christ. We have been told of salvation conversations and questions about baptism happened throughout the week.

Thank you as well to everyone who donated supplies, provided refreshments, offered encouragement, and supported VBS in countless other ways. Every contribution, large or small, played an important role in making VBS a blessing for our church and community. Because of your generosity, lives were touched, seeds of faith were planted, and God's love was shared with the next generation. We praise God for all that He accomplished during VBS and are thankful to be part of a church family that so faithfully serves with each other and with other churches.

On behalf of the VBS leadership team, thank you for your support, your prayers, and your willingness to volunteer. We are truly blessed by each of you and look forward to seeing how God continues to work through our church in the months ahead.
