People helping people live out the unexpected love of Jesus every day. This is Eastern Hills' mission as a church: to help one another be more like Jesus, and to help others hear about, experience, and live out His unexpected love every day.

Our values declare that we are an **AUTHENTIC FAMILY**: We have fun and encourage each other through life's ups and downs. We value **REAL TRUTH**: We dig into Scripture for clarity in a confusing world. **TRANSFORMATIONAL GROWTH** is our third value: We thrive as we learn to become more like Jesus together. And finally, we desire to make a **PRACTICAL IMPACT**: We seek to meet the needs of our neighbors wherever we find them.

PASTOR BILL

I've said it before: We have a great church staff, and I'm blessed to get to lead this wonderful team! All totaled, the church has twelve employees: 5(-ish) full time and 7(-ish) part time (The "-ish" is because Tim often puts in full time work for part time pay). Our staff members are each consistent in their walks in the things of God, and all of them serve in ways that go above and beyond the "jobs" the church pays them for. Proverbs 27:2 recommends: "Let another praise you, and not your own mouth—a stranger, and not your own lips." (CSB) So while I'm not "a stranger" (though I am at times strange), I would like to be the one to praise these eleven others for their faithfulness, dedication, and service to the Lord and to the church family of Eastern Hills:

First, I have to say that I very much appreciate Joe and Trevor for their ability and willingness to step into the pulpit when necessary. Being able to have other men on staff who can preach the Word of God faithfully is a treasure that not every senior pastor has, and I have two of them! Thanks, guys!

Joe is my right-hand guy. He truly does many things that go WAY above and beyond his job description. He manages many of the administrative things that I am not particularly good at, such as our relationship with the custodial crew. He's a very gifted organizer, and he takes a lot of things off of my plate so that I can concentrate on the primary things that I've been called by the church to do.

Trevor is a gifted communicator, both verbally and in writing. I often bounce sermon ideas off of him because of his ability to synthesize and creatively repackage information. He is always willing to step up and use his youthful (comparatively) vigor and energy to serve the staff and the church.

My tenure on staff is only surpassed by Shanna, and she and I have worked together for nearly 27 years now. She knows nearly everyone, remembers all of the connections that she learns about between people as well as much of the history of the church, and manages our database and print publications diligently. She has a great heart for the people of Eastern Hills, and always makes time for folks.

Rebecca's skill as the financial secretary is such a blessing to this church family! She has an eye and a mind for numbers, and her technological skills have really made a difference in how we do our bookkeeping. She is always willing to serve the church family, and does so with a great attitude and outlook.

My wonderful wife Melanie has been a great help to the church in her part time role as receptionist. She takes care of our office supplies, ordering for children's and student ministry, and major mailings. She always greets people with her beautiful smile and makes them feel welcome.

Michael is our newest staff member, and he has been a godsend. He has been wonderful in keeping in contact with and serving our senior adults, and has done a great job in maintaining the momentum that Rich started in the Cornerstone ministry. I appreciate his heart for the people!

Tim handles all of the maintenance issues in the building and is always thinking ahead. The rest of the staff doesn't give the tasks he's managing a second thought, because we know they will be taken care of. And Tim was SO valuable during the work of the Endeavor campaign as our project manager.

Liana serves faithfully both as our Children's Ministry Special Events Director and our Online Media Director. She manages the website, streaming, the screen in the sanctuary, and even what is displayed on the church sign. I appreciate her doing that, because some of those things used to be things that I did!

Michelle is a great choir director, and has such a heart for her choir members! Our choir is really a caring group, and they really encourage one another due to her example. Khyrstyn and Amanda serve alongside Liana as Children's Ministry Directors, and I know that Joe is truly blessed to have them as they manage the children's ministry and nursery while he is doing other things like teaching his Sunday morning Bible Study class. They are a huge help!

I know this was a lot of words (and so the type is probably pretty small), and really tried to keep my accolades for our staff short—they are just such a great team to have! I'm thankful to the Lord for the staff He has put together at Eastern Hills!

Blessings, Bill

Well, another legislative session has been completed. The question we all need to be asking is, "Did

they address the issues that were most important to you?" While a lot of issues were discussed, they still did not address juvenile crime, felons with guns and the CYFD fiasco. What did your legislator do? Did they press to make the issues that you feel were the most important addressed? Now is the time to start analyzing their performances and decide on whether a change needs to be made during the upcoming election to ensure that our expectations are being met and we are not just left with those that merely toe the party line. Legislators are elected to vote our wishes not the ideas of someone that does not have our best interests at heart. Only by electing OUR legislators are our ideas and feelings really heard and respected. Candidates are already declaring so now is the time to start looking at what they stand for and what ideas they are discussing and let them know what you want them to address. Let them hear your voice, your ideas and your expectations.

STUDENT MINISTRY

WELCOME 2026!

Winter Retreat was awesome! Stephen Baum gave good, biblical advice on glorifying God in any calling. No drama! Only minor injuries. Weather cooperated. Many students said it was the best one yet!

Calling all graduating seniors! If you are a parent of a 2026 graduate, you should receive a letter and email from me with information about Grad Sunday, the first Sunday in May (the 3rd). But also, do me a favor and reach out to me and let me know that you are excited for your student to participate!

Can you guess the top five things that prevent youth from entering missions?
Family pressure, Anxiety, Sexual habits, Lack of experience in evangelism, Lack of spiritual discipline.
