

Annual Report 2025

Pastor's Note

Every number in this report represents a person.

A story.

A family.

A step toward Jesus.

This report is not about celebrating statistics - it's about celebrating the faithfulness of God and the lives He is changing through Hope Fellowship.

Behind every baptism is a changed life.

Behind every volunteer is someone choosing to serve.

Behind every child or student participating is a family investing in faith for the next generation.

While we track attendance, groups, serving, and generosity, we never want to confuse what we **measure** with what we **value most**.

What truly matters is:

- People encountering Jesus
- Lives being transformed
- Spiritual growth happening in community
- The church living on mission together

Numbers help us see part of the story, but transformation is always the goal.

These pages do not capture everything God has done.

They aren't all the statistics.

They aren't every metric.

They certainly aren't every story.

This report is simply a snapshot - a small glimpse of what God has been doing in and through our church this past year.

There are thousands of moments not reflected here:

- Quiet prayers answered
- Marriages restored
- People finding hope again
- New friendships formed
- Steps of faith taken that only God sees

Those stories matter most.

As we look back with gratitude, we also look ahead with faith.

This report isn't just about what happened - it's a reminder that God is still writing the story, and we get to keep saying yes to the work He has ahead of us. Thank you for all you've done as Hope Fellowship with your faithfulness and obedience. God is doing a work in us and through us.
