Connect with our Summer Interns

Hello, beautiful church family, my name is Dulce Gonzalez!! I am so glad for the opportunity to be able to serve my community for another year as an intern. This year, I am doing an internship with MCC and our church community. I am so grateful for this opportunity and what it holds for me. Something about me is that I will be attending Fresno Pacific University this Fall semester. I will continue my studies in psychology and work toward my Bachelor's

degree. Some of my hobbies are drawing, painting, playing volleyball, and, most recently, cooking. This summer, I will be teaching in my classroom and working with the youth. Also, I will be helping the children's ministry and preparing for upcoming events this summer. I am looking forward to meeting and building connections with people in our community. My Favorite Verse is "Therefore do not be anxious about tomorrow, for tomorrow will be anxious for itself. Sufficient for the day is its own trouble." - Matthew 6:34

Hello everyone, my name is Amelia Villarreal. I'm currently 20 years old, and this is my third year serving as an NLC intern. I feel truly grateful and blessed to have this opportunity to serve my community and share God's love with others. I serve as the Early Childhood Development Leader at NLC, where I teach children from kindergarten to 1st grade! This upcoming fall semester, I will be attending Fresno Pacific University to pursue a Bachelor's degree in Nursing. Also, throughout my time as an intern, I will continue teaching my classroom, work with youth, and stay connected with all of you by overseeing our NLC blog and social media. A verse that deeply encourages me is Proverbs 3:5-6: "Trust in the Lord with all your heart, and lean not on your own understanding. In all your ways acknowledge him, and he will make your paths straight."
