DISCUSSION QUESTIONS

1. Taking an honest look at your heart, what are some things you have been "proud" of (when they are really gifts from God that you should be "thankful" for)?
2. PD mentioned a few examples of how the Church is planted in Jewish soil (has Jewish roots). How does this impact your view of Israel & the Jewish people? What other ways do you see Jesus FULFILLING Judaism (rather than creating a radically different religion)?
3. In your own life, what "Us/Them" categories have you assigned certain people to? How do you see the Gospel breaking down those barriers as you follow Jesus more closely?

Conclusion: SHARE Your Faith, Don't Be PROUD of it!
