DISCUSSION QUESTIONS

1. Happy Mother's Day! The parent-child relationship and the marriage relationship are given as examples of God's even GREATER Covenant Love for people (and especially Israel). Could you ever imagine a scenario where you would STOP loving your child? What does that tell you about God's even greater love for Israel (and the world... and YOU)?
2. Looking at the "great mystery" revealed to Paul in verses 25-26, what is NEW to your understanding? What questions do you still have?
3. Consider Paul's doxology in verses 33-36. How does the fact that NONE of us fully knows the mind of God actually strengthen your confidence and trust in Him?
