

The Gospel of Paul (23)

Love in Action

Romans 12:9-21

Intro: When It's Hard to Love

I. Church Relationships (v. 9-16)

II. Secular Relationships (v. 17-21)

DISCUSSION QUESTIONS

1. What people or groups of people would you find it HARD to love?
2. When you think of your "church relationships", are you NICE to people at FBC, or do you genuinely LOVE them like family, as Paul is calling us to do? In what ways did God challenge you today regarding your church relationships?
3. When you think of your "secular relationships", how do you balance "doing RIGHT (as defined by God)" with "living at peace with everyone"? Is there anything you feel led to adjust in your approach toward the world?
4. How do the amazing promises to those who "overcome" in Revelation 2-3 encourage you to "overcome evil with good", as Paul says in Romans 12:21?

Conclusion: OVERCOME
