## DISCUSSION QUESTIONS

1. Have you experienced a powerful storm from a place of safety? How does that memory speak to the PEACE Jesus brings, even in the middle of the storms of this life?
2. Read Jonah chapter 1. What are the similarities and differences to Mark 4:35-41? In what ways is Mark presenting Jesus as the "greater Jonah"?
3. What specific things was Jesus willing to sacrifice in order to REDEEM and RESTORE the demon possessed man? What does that tell you about the importance of just ONE person to God?
4. Why does Jesus send the man back to his people (oikos), rather than allowing him to follow as a disciple? Who is part of YOUR oikos, and how do you perceive Jesus sending you as His Witness to them?
