Psalm 145 — Our Great & Good God

This is the only Psalm that is inscribed as “David’s Psalm of Praise.” This Psalm is pure worship and a great way to end David’s other hymns.

VERSE 1 — “Heavenly Father, the fact that You, who are the creator and sustainer of all creation, from the vast solar systems that contain stars and planets to the tiniest of creatures and grains of sand, is a humbling and gratifying truth to receive. You are forever the sovereign King to whom all angels and seraphim praise, and to You will I praise for all eternity.”

VERSE 2 — “Heavenly Father, it is a joyful life to wake up to each day and know that I have more reasons than I have breath to praise Your name. By the power of Your Spirit, I will never let a day go by where I am not cultivating words of praise to You. Praising You forever in future glory is truly something I look forward to.

VERSE 3 — “Heavenly Father, since my conversion, I have attempted to search out Your greatness. As I meditate on the pages of Holy Scripture, the many provisions of Your grace, and the creation around me that You hung in its place by the power of Your breath, I have found that Your greatness is too vast to comprehend. Lord, I fall to my knees in humble worship in response to Your unsearchable greatness!”

VERSE 4 — “Heavenly Father, the work of Your greatness that can be witnessed in every direction will never be a truth that I hide away in my own heart. To whomever you put in my path, family, friends, neighbors, and everyone in between, I will intentionally and joyfully declare Your mighty works. I will never allow any invention or distraction created by men to divert me away from praising the work of Your power.”

VERSE 5 — “Heavenly Father, while many in the world around me continue to be skeptical of thy majesty, I will never entertain such folly in my heart! From biblical times until the present day, You have intervened in the lives of so many by Your wondrous works to lead them out of their unbelief and into a personal relationship with You through the vicarious work of Your dear Son. Yes, Calvary was the greatest intervention of Your love, and I remain even today unworthy of it. Praise Your name!”

Amen
