Building Program Update

The building program was approved with 97% support in last Sunday's secret ballot vote. Meetings were held this past week with the architect and builders as planning continues toward an August construction start date. Weekly giving to the Building Fund is encouraged and needed. If 150 families gave an additional \$15 per week, the project would remain on target. Some may be able to give more, others less, but God faithfully provides through His people. To give online, please select "Building Fund." On giving envelopes, gifts designated as either "Building Fund" or "Mortgage Fund" will both be applied to the building project.
