

## Father's Day

Today, during both morning worship services, we will recognize fathers in several special categories and honor the important role they play in the family and church. Every dad in attendance will receive a complimentary pocket tool with multiple everyday functions and a carrying case.

## VBS Meeting & Neighborhood Invite

Tonight, immediately following the service, there will be a brief VBS meeting in the sanctuary for everyone serving this year. Following the meeting, we encourage you to stay and help us distribute VBS invitations to our neighbors in the surrounding community. Thank you for helping us reach out and invite others to join us!
