"Keeping Your Cool"

I am not a fan of hot weather. Hot weather makes me want to pull out a fan, find a swimming hole, hide inside air conditioning, and avoid the sun. However, I find myself reflecting on my experiences through the years. Like many of you, I didn't have air conditioning growing up – we used box fans in the windows. It wasn't pleasant, but it was livable. Likewise, I remember one summer I worked as a camp counselor at Camp Overlook. We had no a/c in the camp and we used box fans. By Friday every week, I had adjusted to the heat, but I spent the weekend in a/c – by Monday, I wished I'd just stayed in the heat!

Continued on page 2

Don't worry – I'm not arguing that a/c is bad or that we should live under the stars. I will still find every shade I can when I'm outside, and I rejoice when I can be cool inside on a hot day. Rather, I am noting that some of the things we think we need or require for a good life may not be as necessary as we think.

Let's remember what we have been through in the past several years: We experienced COVID-19, disaffiliation, all the challenges of aging, and we are slowly beginning to see signs of the future of our church in the guests we have welcomed and who have chosen to become part of our congregation, many of whom are youth and younger adults. All of these things have changed us and challenged us.

Like the hot days we spent outside in our youth, not every experience is pleasant, but every experience teaches us, fundamentally, that our God provides for us and for God's mission in the world. Heat conditions us for heat, and while we have to be careful to stay hydrated, especially as we age, heat reminds us that we have bodies that can adjust to unpleasant things.

Challenges in how, where, and when we worship and gather are not all pleasant, but they remind us that God meets us when we set aside time to be present with God and each other. Saying goodbye to old friends and meeting new friends is not easy and it brings us grief, but it also gives us an opportunity to do ministry in new ways, and to revive some of the old ways that served us in the past. For instance, when we said goodbye and God bless you to Pastor Tommy (not a forever goodbye, but for the role and place he's had among us for decades), it hurt, but God provided Pastor Becky, who brings a different perspective, set of skills – and to add icing on the cake, Becky is restarting some of the ministries Pastor Tommy had done so well.

One of the blessings that comes with the summer heat is often a change and slowing down of our schedules. Whether we are traveling, staying home, or just doing things differently, summer often gives us some breathing room. Please enjoy that breathing space! Garden, visit your neighbors and family, relax, and when the heat gets to you and your body gets tired, rest! And I encourage us particularly to take time to notice – what's happening in our lives that we haven't seen? What's happening in our neighbor's

lives we haven't noticed? What's happening in the community that we didn't see yet? And how might God be calling us to act?

So, this summer, I encourage us all to enjoy some extra space and time to rest, to take Sabbath and keep it holy. We do not need to be always busy to be productive, and we do not need to be productive to be accepted in God's eyes. Rather, God asks us to relax as well as work, to take time to be holy, and not always be doing something "important."

When the summer begins to end, kids head back to school, and our church calendar starts to fill again, I want us rested and ready – not just to make the Pumpkin Patch strong, and not just to start all the meetings up again – but ready to engage in the hard and blessed work of being the body of Christ for our neighbors, for ourselves, and for Christ's mission!

As always, I am privileged to be your pastor and a fellow servant of Christ alongside you -

Financial Fundamentals July 2026

This report briefly addresses finances at FUMC Fox Hill. The latest information is in the weekly bulletin available at church or through our web site.

Last month I wrote “First Fox Hill finances continue to be very tight for 2026.” That situation continues. We need your energetic, financial support throughout the year.

Comparing different years is not an exact science, but it is significant to note what donations are running a little over 20% behind our 6-year average through May. If you are not where you would like to be, this is a good opportunity to help fill the gap. For many this may be a hard time; for others investments may have helped. Please keep your church in mind.

You may not have thought about it, but cash flow can be almost as great a challenge as just covering our expenses. For example, as we enter the summer, we just incurred nearly \$5,000 for maintenance (crawlspac encapsulation) cost at the parsonage on top of \$1,700 for a new refrigerator/freezer in April. Add those to our \$4,300 annual cost (payable in June) for software supporting live streaming, the web site, and our app. A third major expense just incurred is our support of the Food Bank and Hampton Ecumenical Lodging and Provisions (HELP), totaling \$3,000.

Note below that we have a significant loan balance from our 2025 major HVAC expenses and total roof repair. We pay nearly \$1,000 monthly and are eager to pay down the principle to reduce interest expense. Special gifts over-and-above your support for operational expense are always appreciated.

We will soon be sending the second quarter Donation Statements by e-mail. After a few bugs were fixed, the first quarter went well. As always, if you have any questions, please let us know so we can address the issue. Need to update your e-mail address? You can do so by phone call or, better yet, by emailing it to churchoffice@firstumcfoxhill.org. If you don't have email, that's fine, we will catch you in person at church or send your report by postal mail.

For many folks, on-line giving can be a convenient way to provide their church support throughout the year.

Gifts to the One Fund – General Offering allow the staff flexibility in managing funds effectively. [Click here](#) for easy on-line access. You can also use your phone and the donation QR Code or go to www.firstumcfoxhill.org, click on give, scroll down to GIVE ONLINE, and click. There you can set up one-time gifts or automatic regular giving on a weekly, twice a month, or monthly schedule.

Please direct concerns/questions about FUMC FH finances to our financial staff via the office or Bill Bryan, Finance Chair, at (757) 851-0748 or by e-mail to billb-1111@cox.net.

Food Pantry June Update

Thank you to all of the volunteers who helped with shopping, bagging, distribution, and cleanup. Your time and dedication make this ministry possible.

This month we served **90 households**, representing **333 persons (126 children, 127 adults, and 80 seniors)**, helping provide food to last several days.

We welcomed **8 new households**.

We distributed **148 bags**, with each bag containing **10 non-perishable food items, one bottle of maple syrup, and approximately 3 pounds of frozen protein**.

As always, those who came to receive food expressed how important this assistance is to them and their families. They were very thankful to the church and volunteers for maintaining a food pantry they have come to depend upon.

I also wish to thank the congregation for their amazing support in keeping the Red Food Pantry tub filled week after week.

Become a Volunteer in Christ

We invite all members of our church family to prayerfully consider serving as a Volunteer in Christ.

Volunteering is a meaningful way to live out our faith—serving others with compassion, using our gifts, and strengthening the body of Christ. Whether you can offer your time, talents, or simply a willing heart, your service matters and makes a difference.

There are many opportunities to serve within our church, and we welcome individuals of all ages and experience levels.

If you feel called to serve, please sign up at the welcome desk or email the church office at churchoffice@firstumcfoxhill.org.

“Like good stewards of the manifold grace of God, serve one another with whatever gift each of you has received.” – 1 Peter 4:10

We look forward to serving alongside you!
