Wiebe
Missionaries to
Bolivia

Greetings from Bolivia.

We are enjoying a wonderful year of studies and building the Baptist International Seminary. We're so grateful for our great group of 57 students and the awesome spirit of the student body. We are at the end of our second trimester and looking forward to finishing well with the third trimester. We are now almost finish of building our new seminary and it is going really well. We are in aw at the amazing ways the Lord has supplied most of the funds. We are finishing the last bit of all the classrooms and after that we have some office space to finish and the sidewalks. We want the place to be a testament to God's grace and blessing.

At Emanuel Baptist Church we are still looking for a pastor and we are asking the Lord to provide one. People are growing and making decisions to follow the Lord in their lives. We recently celebrated Bolivia's independence day and had great service and meal together as a church. We covet your prayers for the church and for the Lord to provide a pastor.

Our prison ministry is gong well. We continue to see prisoners accept Christ as their Saviour and follow the Lord in Baptism. Update on our educational endeavours for the prisoners. We have implemented the plan and see regular attendance and great interest for new students to start.

Prayer and Praise:

Praise the Lord for a great year of seminary ministry.

Praise the Lord for His continued blessings at Emanuel Baptist Church.

Pray for wisdom as we expand the seminary program, possibly going online.

Pray for the discipleship of all the new converts in the jail.

Pray for Emanuel Baptist Church as they look for a pastor.

Thank You

Thank you so much for your faithful financial and prayer support to our ministry for all these years and for Giving to help build the Seminary.
