PARTNERING FOR THE DREAMS OF CHILDREN

What does it look like when churches come together for the dreams of children?

Dream Sunday is a special event where Mike Blackwood, Director of Church Engagement, shares the story of how God is working through Connie Maxwell Children's Ministries—and how your church can partner with us in helping us fulfill the dreams of children through Christ-centered care.

Through a dynamic presentation, you will discover meaningful ways to pray, serve, and invest in the lives of children and families across South Carolina.

A STUDY OF PSALM 23

June is the month we go off to Fuge Camp in Ridgecrest North Carolina. Be in prayer as Summer Camp is often one of the most transformative times in the faith journey for students as they get a week of in-depth teaching, devotionals, fellowship, and worship. We always go expecting God to move in big ways in the lives of our students!

On weeks when we do not have Summer Camps, Hope and I will be taking the Youth on weekly activities and hangouts. If you don't receive the text and emails reach out so you'll know what we are doing each week!

YOUTH EVENTS/OUTINGS

- June 7th: Summer Kick-Off Pool Party
- June 28th-July 2nd: Fuge Summer Camp

Coastal School Ministries

Making Bible education and prayer a part of every public-school day.

Coastal School Ministries (CSM) serves Horry County students through Released-Time Bible Education. CSM is currently established in nine Horry County schools. They are preparing to re-enter Whittemore Park Middle School and Loris Middle School in the fall.

A bus picks the children up at the participating school, they are taken to a host facility, usually a church, and after their class, taken back to school to finish out their normal day. This is done with parental permission.

They operate under South Carolina's Released-Time law, working closely with school districts, volunteers, and churches to make Bible education accessible, legal, and impactful.

Please be in pray for an increase in teaching staff and volunteers as well as an increase in schools choosing to participate.

Mobile Meals of the South Strand

The organization serves Murrells Inlet and surrounding areas and focuses on providing home-delivered meals to individuals who are unable to prepare adequate nutrition due to illness, disability, or advanced age, while also offering companionship and community connection through volunteer visits.

Meals are delivered Monday, Wednesday, and Friday. Our church is on the schedule once every 12 weeks. Volunteers provide the service only one day during the week.

Cost is based on ability to pay; funding comes from local churches, civic groups, foundations, and client contributions.

Volunteers are essential to the program, performing roles such as drivers, runners, packers, and fundraising committee members. The program is strictly volunteer-driven, with no paid positions, emphasizing community involvement and support for seniors and those in need. To volunteer see Linda Clark or call the church office.

MUSIC MINISTRY

I have never been in the Military, but I have had many family members serve in the Navy, or other branches of the Military. The phrase “**some gave all**” is the reminder that many made the ultimate sacrifice and gave their lives for our freedom. So, I say thank you to all who have given up someone from your family for our country. May **Memorial Day** remind us all to be thankful for these who gave so much.

Of course, the ultimate sacrifice was made for all of humanity at the **Cross of Calvary**. There is no greater love than this. **Jesus tore the veil and made a way for us to get to God**. Keep a special place in your heart for the cross and thank the Lord daily for His great sacrifice. Have a blessed day today and everyday!

Witness Protection by Robert Whitlow

If you're a fan of Charles Martin or John Grisham you'll love Witness Protection. Jon Tremaine finally has the life of his dreams in Brunswick, Georgia, after testifying against a former drug cartel member. Only his handler with the US Marshal's office and his wife, Sarah, know his true identify. Jon and Sarah are expecting their first child in a couple of months. He's the manager of a large commercial tree farm. One of Jon's employees is arrested for smuggling drugs and bringing them into the United States. Jon goes against his better judgment and involves himself in the case.

Kelli Quinn is a skilled litigator who has moved to Brunswick with her two children to rebuild her life after a divorce and start a new job. Kelli is new to the firm, but she agrees to help Jon's employee. The investigation uncovers layers of criminal activity. Are there connections to Jon's past? Witness Protection has already been praised as a standout Robert Whitlow novel. Readers will not be disappointed.
