Thank You All!

I want to express how much it has meant to me to serve as your pianist this summer. I truly felt your prayers, and your encouragement meant the world to me. I had allowed life to overwhelm me to the point where I rarely played anymore, but this opportunity has reawakened my love for playing and brought me so much joy. It truly made my summer!

Thanks also to those who sent in hymn requests. It made my job easier than I had anticipated. Thank you so much!

Blessings, Martha Stant
