# MAJOR MESSAGES

a 31-day engagement plan

Some of the most overlooked books in Scripture carry some of the most powerful truths.

**Read Monday - Saturday to get ready for the messages on Sundays.**

This May, journey through Haggai, Hosea, Micah, Habakkuk, and Amos—discovering God’s call to return to Him, reorder your priorities, and live with justice, mercy, and faith.

## How It Works:

- Read each day’s passage Mon - Sat
- Watch related overview videos each week
- Join us Sundays for teaching

Did you know that the average book of the Bible can be read (or listened as an audiobook) in 5 minutes or less!?

That's all it takes: 5 minutes!

5 minutes to say “YES” to reading God’s word each day.
