

Rules

1. Live Sanctified

It is not about how close you can get to the “line” without actually crossing it, but about living in a way that is wholly glorifying to God

2. No Gossip Or Slander

Insults, even if you are “only joking” are not tolerated. Let only what is good for building one another up come out of your mouth.

3. Treat Others How You Want To Be Treated

Your actions towards people can say just as much as your words.

4. Cell Tower

Cell phones are to be put on the “Cell Tower” as you come into the room and are not to be picked up until you are dismissed at 7:15. We desire to have intentional time together and with the Lord without distraction.
