The boys decide to leave palo mayombe and become Christians.

STRENGTHS:

THEY DRAW POWER FROM DEMONIC SPIRITS. THIS IS DONE THROUGH ANIMAL SACRIFICE, CASTING OF SPELLS, HEXES, CURSES, AND WICKED ACTS. THEIR GOAL IS TO INCREASE IN POWER & DESTROY TEAM LIGHT. TEMPT OTHERS TO SIN AGAINST THE MOST HIGH GOD.

WEAKNESSES:

THE AUTHORITY OF JESUS CHRIST OVERPOWERS WHEN A TEAM LIGHT PLAYER WALKS IN THAT POWER. THEY FIGHT BACK TO GET THE LIGHT PLAYER TO DOUBT OR BECOME INCONSISTENT.

CONVERSION:

ANYONE CAN BE CONVERTED TO TEAM LIGHT.

Free-Will

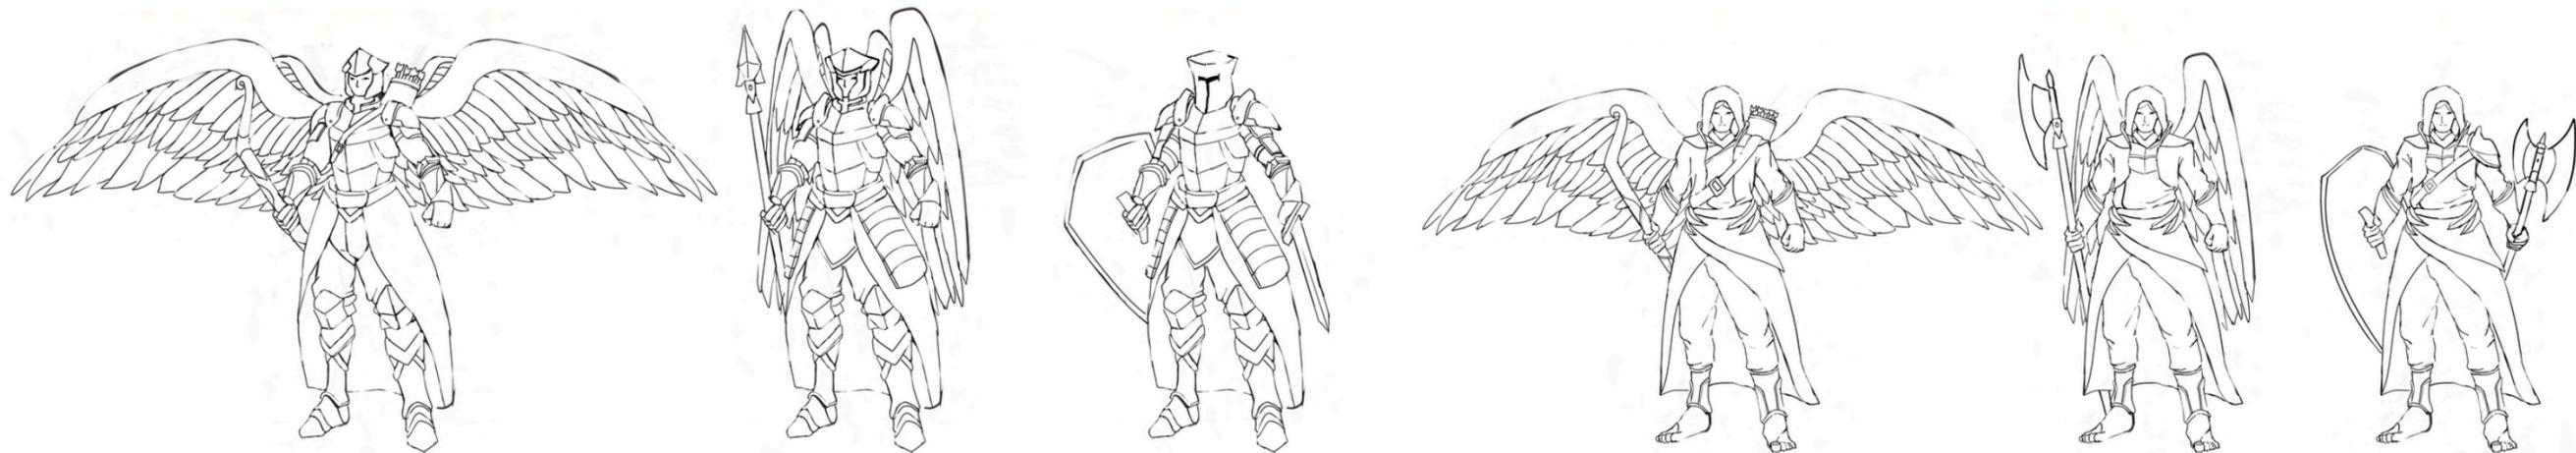

Free-will, will play an important role in this linear series because every person has free will, which is the ability to choose light or dark until death (end of the game). Players on team light have the choice to leave and no longer be on the team or go to team dark. Players on team dark have the choice to leave and no longer be on the team or go to team light. We see Christians who endure to the end and we will see some Christians make the choice to no longer be a part of the faith. We see ex-witches or ex-satanists make the choice to become a Christian. This show will be VERY REAL and direct. We want to make powerful and impactful episodes that bring answers, hope, and transformation to the audience's life.
