Jesus Raises Lazarus (page 2 of 4)

Directions: Print this page out on a medium card stock, cut out the two craft pieces along the solid gray lines, then fold the piece in half from “top” to “bottom” with the Bible verse showing outward. While folded in half, cut the two blue lines, then fold the middle gray section over on the orange line. Reverse the piece so that Bible verse is on the inside. Open the piece to a 90° position and pull the middle gray section towards you so that it is positioned like the fold diagram on page one.

And Jesus lifted up his eyes and said, “Father, I thank you that you have heard me. I knew that you always hear me, but I said this on account of the people standing around, that they may believe that you sent me.” When he had said these things, he cried out with a loud voice, “Lazarus, come out.” The man who had died came out. —John 11:41b–44a
