DEBORAH'S LEGACY
NOVEMBER PRAYER REQUESTS:

• The holidays can be very hard for our women & those in recovery; pray that they would feel the warmth of community and fellowship.

• Pray for the completion of our Deborah's Legacy Building Project. Specifically, for provision and for the investment of volunteers - their creativity and safety and for all the detailed decisions.

• Praying for the development of our leadership. Praying for four new board members for next year.

• Our annual fundraiser - Evening of Impact is Nov. 10 at NP Berean. Please come but also pray a hedge of protection around our team.

NOVEMBER PRAYER REQUESTS:

• Please pray for safety as we travel the East Coast reporting to churches while on furlough.

• Pray for Vicheka, Tieret and Srey Nie as they continue to lead the Cham village weekly meetings while Donovan's are in the States.

• Pray for our team, Pilot and Seyla, and Philip and Sarah as they help with English teaching in the Cham village and leading the Bible institute.

• God's direction and supply for discipling new believers in a very remote river village.

• Continued healing for Jerry's eyes. Prayerfully, both eyes will be settled into a new normal soon. As of now his right eye which was 20/400 is 20/20. He has surgery on his left eye on Friday, Nov. 9.
