PRAYER REQUESTS

MEDICAL

Anna Watson: Continues to deal with long COVID symptoms, including brain fog and general weakness. Seeing a doctor this week for digestive issues. Pray for Anna's health, and for her husband, Neldon, as her caregiver.

Susan Boling: Has had a number of nagging health issues, including respiratory. Pray for recovery and strength. Separately, Susan's mom is not a Christian and is in failing health. Susan asks for prayers that her mom will come to know Jesus before her passing.

John Wood: Completed his fifth round of chemo on Tuesday for pancreatic cancer. He is not as nauseous after this round, but is extremely fatigued. Prayers for strength and healing, and for the nausea to remain at bay.

Bobby McVey: Scans show that we are winning the battle against lung cancer! Additional treatments for bone metastasis began this month; Bobby is reacting well and feeling

better. Please pray that these treatments are effective, and for full health recovery.

Kathy Waller (JoAnn Warlick's niece):

Entered hospice care due to stage 4 colon cancer that has stopped responding to treatment after a recent blockage. Please pray for Kathy and her loved ones during this journey.

SAINTS AT HOME

In coming weeks, we will highlight some GC members who, most of the time, cannot worship physically with us due to health or aging reasons. Be looking for an insert in our printed bulletin for these "get-to-know-you" stories!

IN MEMORIAM

Washington & Marquette Johnson: Would like to thank those who reached out, prayed, and expressed condolences during the passing of their three relatives last month. They would appreciate continued prayers for peace, comfort and strength.

HOW CAN WE PRAY FOR YOU? Send us your prayer requests at [gracechapelchurch.com/pray](https://www.gracechapelchurch.com/pray)
