PRAYER REQUESTS

MEDICAL

Vernon Shuffett II: Recently, our Vernon Shuffett III's 99-year-old father (who lives with him) had a stroke and is now in rehab. He is working to recover, but complete recovery is unlikely due to his age and overall health. Please pray for gaining better health as he labors through a tough rehab scenario. Vernon's dad depends on God and has an indomitable, optimistic spirit.

Asher (nephew of Rachael Turner): Six-year-old Asher has been hospitalized with a severe case of the flu. Please pray for a full recovery.

Carter (great-niece of Madonna Crowder): Six-week-old Carter is currently in a children's hospital being treated for COVID and a UTI. Please pray for quick and complete recovery.

Bert & Joyce Blackwell: Bert was hospitalized in late January and is now at home under Joyce's care, but his health continues to slowly decline. Please pray for comfort for Bert, and strength and energy for Joyce, especially as she keeps up with their sweet 8-year-old great granddaughter who lives with them.

Bobby McVey: Next chemo treatment is scheduled for April 11th, followed by a CT scan on April 18th. Please pray for a clean scan and that no further chemo treatments will be needed.

David Wheeler: Has an MRI scheduled for April 4th to evaluate his kidney cancer; David is also dealing with prostate and skin cancer. Please pray for strength and peace.

John Wood: It was all good news from the recent PET scan analysis for John and his

pancreatic cancer treatments. Alicia says that the tumors have shrunk significantly and the tumor activities are way down. John will continue treatments, with another PET scan scheduled for early June. The doctor was very excited and positive about this progress. Praise God! Let us continue to pray for this special family and their journey, and that God continues to be glorified.

Laura Johnson: We pray for Russ Johnson's sister and her ongoing battle with bladder cancer (over nine years). Laura has decided to undergo chemo infusion treatments once more, but at 71 years old, these treatments always have tough side effects. We pray for strength for Laura over the next eight weeks or more, and that the treatments will rid her body of cancer. Give her peace, Lord.

Mark Sampley: After a several day hospital stay, followed by rehab, Rick's brother has recovered nicely from his fainting spells and is scheduled to return to his assisted living apartment on April 7th. Thanks be to God that the "old Mark" seems to be back!

IN MEMORIAM

Alice (mother of John Condo): Passed away this past week. Please remember John and his entire family as they mourn this great loss. There are no plans for a formal funeral.

HOW CAN WE PRAY FOR YOU?

Send us your prayer requests at gracechapelchurch.com/pray

PRESCHOOL: This month, we are teaching our preschoolers to watch the One who can do anything. The One who has shown that the power of the Lord is with Him. Who is this One? Jesus, of course! Yes, this month is all about Jesus and how **Jesus can do anything!**

KEY QUESTION: Who can do anything?

BOTTOM LINE: Jesus can do anything.

MEMORY VERSE: “And the power of the Lord was with Jesus.” (Luke 5:17 NIV)

ELEMENTARY: Cooperation is a spiritual concept that originates with God, and throughout the Bible, we see how God brought people together to accomplish God’s plan for the world. When we work together, we reflect Jesus to others, and our love for one another can point people to Him as we explore what God wants us to do together.

COOPERATION: Working together to do more than you can do alone.

MEMORY VERSE: “Two people are better than one. They can help each other in everything they do.” (Ecclesiastes 4:9 NIV)
