PRAYER REQUESTS • MARCH 8, 2026

IN MEMORIAM

Dorothy and Ralph Jones: Dorothy and her husband, Ralph, passed away on February 19 and February 27 in Alamo, Tennessee. Dorothy, age 81, was a dear sister to our own Fran Sexton. Both Dorothy and Ralph had been in hospice care and passed peacefully in the Lord. A joint memorial service was held on February 28 in Alamo. Ralph, age 84, had hoped to pass soon enough to be remembered alongside Dorothy—and he did.

Please pray for comfort and peace for their family during this time of loss. Obituaries may be viewed at ronkfuneralhome.net.

MEDICAL

Bobby McVey: After his back surgery, doctors discovered two areas of concern on Bobby's spine which they will be treating with radiation in two weeks. He will undergo five treatments, one every other day.

Please pray for successful radiation treatments and full recovery to great health. Lord, please be with Bobby. Bless and strengthen him, and be with Carrie and family as well.

John Wood: John will travel to New York City this week for a scan and more tests. He's feeling pretty good right now. Alicia recently shared that "John's doctor was almost giddy with how well he is doing and how good he looks. God is good!"

Please continue praying that the drug John is taking will continue to battle his pancreatic cancer and remove the cancer from his body.

Also pray for further recovery of strength, relief from pain, treatment side effects, and for peace, comfort, and perseverance—not just for John, but for Alicia and the entire family.

Beatrice Sage: Bea, Patrick Boyle's 58-year-old sister in New York, recently completed radiation and chemotherapy for stage-four throat cancer, diagnosed in September. Bea is recovering well following her recent treatments, and she is so thankful for all the prayers. Please pray for full remission and full restoration of health.

Rosemary Lisby: Rosemary received a second epidural injection this past week to help further calm the inflamed nerves that have caused persistent numbness and pain in her right leg and foot. Please pray for complete healing and restored mobility. She is beginning to venture out and drive to nearby locations. Also remember her husband, Greg, as he continues to care for Rosemary and serve as her periodic driver.

Grace Brown: Grace is undergoing immunotherapy for lung cancer through daily medication and periodic infusions. Her husband, Tom, reports good news from Grace's most recent scans: the inflammation in Grace's lung has gone down and she is able to continue her immunotherapy. In addition, all the cancer locations are showing less activity and have shrunk! Grace and Tom are so thankful for all your prayers. Please continue praying for healing, manageable treatment side effects, and for peace and strength for Grace and her family.

Susan Boling: Susan continues to do very well following her hip replacement surgery. After dealing with a blood infection for several

months, Susan's recent bloodwork results were normal, and she is finally off antibiotics! She has also recently begun physical therapy to further restore her strength and mobility. Please continue praying for complete healing.

Virginia Ann Edwards (Bo Edwards' mother): Sister Edwards, age 91, is continuing her recovery and rehab following a partial hip replacement. Please pray for her healing and for those caring for her, including Bo. Also pray that her application is approved for a place in an assisted living facility near her daughter Clair in Myrtle Beach.

Calli (Bo Edwards' sister): Please continue to pray for restored mental health, renewed motivation, and peace within her home, especially as she and her husband care for their special needs son. Calli seems to be doing better after in-hospital treatments she underwent a few months ago.

OUR SICK AND SAINTS AT HOME

Please remember in your prayers the following GC members who have ongoing health issues and are generally unable to attend worship services:

Bert and Joyce Blackwell: Pray for Bert's declining health and for Joyce as his caregiver. Joyce says that they continue to hang in there. We pray for strength for Joyce and that she can hold up physically as caregiver. Knee pain continues to be an ongoing struggle for her.

Melissa Boyle is helping to coordinate meals; you may sign up to take a meal at mealtrain.com/trains/yrz13k. Feel free to send Joyce a text of encouragement (no calls, please); she so appreciates it.

Esther Johnson: Esther continues to face the challenges of Parkinson's disease and related health issues. She recently began physical therapy twice a week, and Russ says it's helping—not only with mobility, but also by giving her a chance to get out of the house.

Esther and Russ traveled to Florida this past week for a family wedding and are returning today. The trip was difficult for Esther given her health challenges, but they are grateful they were able to be with their family.

Please pray for renewed strength and continued progress for Esther, and for Russ as he faithfully cares for her.

David and Carolyn Wheeler: David said recently, "We are walking by faith. We are doing as good as we can, keeping our doctor's appointments, and looking at more MRI tests. Thanks to everyone who is praying for us!"

David is battling cancer in both kidneys as well as prostate cancer. Pain is being kept under control very well with minimal pain meds. David credits Carolyn for keeping him alive—she is a wonderful caregiver. They continue to maintain wonderful, inspiring positive attitudes. **David and Carolyn welcome cards and calls.**

THIS MONTH'S SERIES: Getting invited to a party is one of the best feelings, and being left out is one of the worst. But there's good news—Jesus never leaves anyone out! He invites everyone to spend time with him, experience his love, and share it with others. This series will remind kids that Jesus' invitation is always open, and we're never too far away to join the party! In this 5-week series, kids will learn that **I'm invited to believe in Jesus, love like Jesus does, experience Jesus' miracles, ask Jesus for help, and worship Jesus.**

THIS WEEK'S LESSON

This week, kids are invited to learn how **Jesus talked with a Samaritan woman** by the well.

BIG IDEA: I'm invited to love like Jesus does.
