PRAYER REQUESTS • MARCH 15, 2026

MEDICAL

John Wood: Late this past week, John traveled to New York City for scans and additional tests related to his ongoing treatment for pancreatic cancer. He had been doing very well until a new concern arose this week—a bleeding ulcer. John is now being treated with medication and dietary changes, and we are thankful this issue did not prevent him from making the trip to New York.

Please pray that the ulcer will heal quickly. Continue to pray that the medication John is taking will effectively combat his pancreatic cancer and eliminate it from his body, and that he will be able to remain on this treatment with minimal side effects. We also ask for continued recovery of strength, relief from pain, and for peace, comfort, and perseverance for John, Alicia, and their entire family.

Bobby McVey: Following Bobby's recent back surgery, doctors identified two areas of concern on his spine that will be treated with radiation beginning the week after next. He is scheduled to undergo five treatments, one every other day.

Please pray for successful radiation treatments and for Bobby's full return to good health. May the Lord bless and strengthen him, and be with Carrie and the entire family during this time.

Beatrice Sage: Bea, Patrick Boyle's 58-year-old sister in New York, recently completed radiation and chemotherapy for stage-four throat cancer, diagnosed in September. Bea is recovering well following her recent treatments, and she is so thankful for all the prayers. Please pray for full remission and full restoration of health.

Rosemary Lisby: Rosemary received a second epidural injection recently to help further calm the inflamed nerves that have caused persistent numbness and pain in her right leg and foot. Please pray for complete healing and restored mobility. She is beginning to venture out and drive to nearby locations. Also remember her husband, Greg, as he continues to care for Rosemary and serve as her periodic driver.

Grace Brown: Grace is undergoing immunotherapy for lung cancer through daily medication and periodic infusions. Her husband, Tom, reports good news from Grace's most recent scans: the inflammation in Grace's lung has gone down and she is able to continue her immunotherapy. In addition, all the cancer locations are showing less activity and have shrunk! Grace and Tom are so thankful for all your prayers. Please continue praying for healing, manageable treatment side effects, and for peace and strength for Grace and her family.

Virginia Ann Edwards (Bo Edwards' mother): Sister Edwards, age 91, is continuing her recovery and rehab following a partial hip replacement. Please pray for her healing and for those caring for her, including Bo. Also pray that her application is approved for a place in an assisted living facility near her daughter Clair in Myrtle Beach.

Calli (Bo Edwards' sister): Please continue to pray for restored mental health, renewed motivation, and peace within her home, especially as she and her husband care for their special needs son. Calli seems to be doing better after in-hospital treatments she underwent a few months ago.

OUR SICK AND SAINTS AT HOME

Please remember in your prayers the following GC members who have ongoing health issues and are generally unable to attend worship services:

David and Carolyn Wheeler: This past Sunday afternoon, Rubel Shelly spent several hours visiting with David and Carolyn following his preaching and teaching at Grace Chapel that morning. Carolyn prepared a wonderful Southern, home cooked meal, and it was a joyful blessing for dear friends in Christ to spend meaningful time together in person.

David is battling cancer in both kidneys as well as prostate cancer. Pain is being kept under control very well with minimal pain meds. David credits Carolyn for keeping him alive—she is a wonderful caregiver. They continue to maintain wonderful, inspiring positive attitudes.

David said recently, “We are walking by faith. We are doing as good as we can, Thanks to everyone who is praying for us!” Please keep this special couple in your prayers. **David and Carolyn welcome cards and calls.**

Esther Johnson: Esther continues to face the challenges of Parkinson’s disease and related health issues. She recently began physical therapy twice a week, and Russ says it’s helping—not only with mobility, but also by giving her a chance to get out of the house.

Esther and Russ are back after traveling to Florida for a wedding Saturday a week ago. Although very tiring, it was a beautiful wedding, and Esther was able to catch up with family members. They had a wonderful time!

Please pray for renewed strength and continued progress for Esther, and for Russ as he faithfully cares for her.

Bert and Joyce Blackwell: Pray for Bert’s declining health and for Joyce as his caregiver. Joyce says that they continue to hang in there. We pray for strength for Joyce and that she can hold up physically as caregiver. Knee pain continues to be an ongoing struggle for her.

Melissa Boyle is helping to coordinate meals; you may sign up to take them a meal at mealtrain.com/trains/yrz13k. Feel free to send Joyce a text of encouragement (**no calls, please**); she so appreciates it.

THIS MONTH'S SERIES: Getting invited to a party is one of the best feelings, and being left out is one of the worst. But there's good news—Jesus never leaves anyone out! He invites everyone to spend time with him, experience his love, and share it with others. This series will remind kids that Jesus' invitation is always open, and we're never too far away to join the party! In this 5-week series, kids will learn that **I'm invited to believe in Jesus, love like Jesus does, experience Jesus' miracles, ask Jesus for help, and worship Jesus.**

THIS WEEK'S LESSON

This week, kids are invited to see how **Jesus gave sight to a man born blind.**

BIG IDEA: I'm invited to experience Jesus' miracles.

BIBLE: John 9:1–41

MEMORY VERSE: "Yet to all who did receive him, to those who believed in his name, he gave the right to become children of God." — John 1:12 (NIV)
