

NEW TO GC?

Stop by the Guest Connection Desk today after our worship assembly. We'd love to meet you!

WELCOME!

We're so glad that you chose to join us today in our time of worship and praise! At Grace Chapel, we strive to be a community on mission together. Our hope for you today is that you have a personal encounter with the love of God and an experience with people who care.

OUR MISSION

To be disciples who make disciples who make disciples (2 Timothy 2:2).

FOR OUR GUESTS

New around here? We're so glad to see you today! Stop by our **Guest Connection Desk** in the lobby to pick up a gift from us. Questions or need assistance? Feel free to ask a member of our **Host Team** (anyone wearing an orange lanyard).

Got kids? During our worship service, preschool and elementary school children are invited to join our GC Kids large group

This month's message series

environments, **Graceland** and **Oasis**. Little ones under three years old are welcome in our fully-staffed **nursery**. Stick around after worship service for our adult Bible classes and kids small groups, beginning at 10:45 a.m.

We'd love to connect with you!

PRAYER REQUESTS • OCTOBER 18, 2026

IN MEMORIAM

Please continue to remember the families of our sister and brother In Christ who both passed away on Sunday, October 4, 2026.

Reba Nichols: Reba's obituary may be viewed on the Crowell Brothers website:
www.crowellbrothers.com.

Bert Blackwell: Bert's obituary may be viewed on the McDonald and Son Funeral Home website:
www.mcdonaldandson.com.

MEDICAL

Phyllis Kempthorne: Praise God, Jim is over the flu, and Phyllis is slowly recovering and regaining her strength. She has been home since October 8 after six nights in the hospital with Influenza A, which caused her electrolytes to drop dangerously low. Please pray for her continued recovery and return to full health, and for Jim as he cares for her.

Macey Chupp – A Note from Parents Maren and Jeremy: Thank you all for praying for our family; we humbly ask that you continue to pray for Macey. Following a knee injury and surgery, Macey, a varsity volleyball player, began experiencing increasingly scary symptoms over the summer. After many tests, we have a diagnosis: Functional Neurological Disorder (FND) with psychogenic non-epileptic seizures.

Tomorrow, October 19, Macey will begin a 10-day intensive program at a functional neurology

center (in Cumming – praise God!), followed by six months of brain rehabilitation. Please pray with us for complete healing from her daily seizures, tremors, and other symptoms; for Macey to fully return to the active life she loves; and for peace, strength, and perspective, that whatever her road looks like, we would draw closer to Him. We continue to see God's goodness every day, especially through all of you. Thank you for interceding on our behalf. We love you!

Kathy Brooks – Under Hospice Care at Home: Kathy is at home under hospice care, having decided to forgo further treatment. Kathy and Ed are grateful for their wonderful hospice team and for the love shown through visits and calls. Please pray for these beloved saints and their family, asking God to surround them with His peace, comfort, strength, and grace.

Ashley Wyatt: Ashley is undergoing radiation treatments for breast cancer and is thankful to have had no side effects so far. Please continue to pray for her strength, energy, and complete healing. Rocky and Ashley are so grateful for all the prayers, love, and support they have received since her diagnosis.

Grace Brown: A recent CT scan showed good results, with no growth in Grace's existing lung tumor and no new growth. She has completed radiation and resumed immunotherapy, and after a month of weekly injections, is back to one injection per month. Grace and Tom are thankful to God and to everyone who continues to pray for her. Please pray for her continued healing, for manageable side effects, and for peace and strength for Grace and her family.

Verna Enfinger: Margaret Krams' mother, Verna, who is in her early 90s, and Margaret's sisters all live in the Pensacola, Florida, area, and all lost power in the recent hurricane. Thanks be to God, their power is back on, and everyone is okay. Beginning November 4, Margaret will spend a couple of weeks in Florida helping with her mom and giving her sisters a break. Please remember Verna as she continues physical therapy, and Margaret and her sisters as they care for her.

John Mowry: John, Luanne Stephens's 79-year-old brother in Missouri, has been experiencing kidney problems, and it was feared he might need dialysis. Praise God, he has improved, and dialysis is no longer being considered. Please pray for John's full recovery, and for his family and Luanne as they lovingly support him.

Kathy Bain: Jane Gilliard's sister, Kathy, has been diagnosed with pancreatic cancer and has begun chemotherapy. Kathy and her husband, Dewey, are former members of Grace Chapel. Please pray for strength, comfort, peace, successful treatment, and complete healing, and for encouragement for Dewey and their family.

Bradley Eidex: Bradley, a recent college graduate and dear family friend of Jeff and Melissa Baillairge, was diagnosed with cancer after tests revealed several malignant tumors. He is scheduled to begin chemotherapy on Monday, October 12. Please pray for effective treatment with minimal side effects and for his complete healing. Please also remember his family, especially his father, who is taking time away from work to be with Bradley during his treatment.

CONTINUE TO REMEMBER

Virginia Ann Edwards: Bo Edwards' 92-year-old mother, who lives alone, as the family considers her future living arrangements.

Bo Edwards' sister, Calli: Please pray for Calli's mental healing and emotional well-being, and for peace, strength, and encouragement for her immediate family.

OUR SICK AND SAINTS AT HOME

Please remember in your prayers the following GC members who have ongoing health issues and are generally unable to be with us:

David and Carolyn Wheeler: David is battling cancer in both kidneys as well as prostate cancer. His pain is well controlled with minimal medication, and David and Carolyn continue to have wonderful, inspiring attitudes. They welcome cards and calls.

Esther and Russ Johnson: Esther has resumed weekly outpatient physical therapy. Please pray for renewed strength, improved breathing, and a better quality of life as she manages Parkinson's disease, and for Russ, who faithfully cares for her each day.

Wayne and Faye Tinch: The Tinchers, both in their early 90s, have been GC members since moving to Cumming three years ago. Due to health and mobility challenges, neither is able to drive.

THIS MONTH'S SERIES: Magic tricks and illusions have a way of sparking wonder and curiosity. But long before today's magicians, Daniel and his friends stood out during the Babylonian exile. They were wiser than the magicians and astrologers of their time because they looked to God for wisdom. Through their brave actions and wise choices, they showed God's power to everyone around them—no tricks needed! In this 4-week series, kids will learn that **God helps us choose wisely, God is ready to rescue us, God's words show us what to do, and our courage can help others see God.**

THIS WEEK'S LESSON

This week, the story of Daniel interpreting **the writing on the wall** reveals how to follow God's words

BIG IDEA: God's words show us what to do

BIBLE STORY: The Writing on the Wall (Daniel 5; 2 Timothy 3:14–4:5)

MEMORY VERSE: "For great is the Lord and most worthy of praise; he is to be feared above all gods."
— 1 Chronicles 16:25 (NIV)
