Providing Security Through Blankets

Project Linus donates handmade blankets to the local Sheriff's office and Social Services to provide a warm hug, a sense of security and comfort for children experiencing trauma, illness or otherwise in need.

Blankets can be of various styles and materials. Please bring your donations to Salem Fields Church by December 8th. Recommendations:

Quilts – 36" square

Crochet or Knit throws – 50" x 60"

Blanket with Fringe, single layer – 1 ½ yard x fabric width (usually 50"- 60")

No-Sew Fleece Blanket

Step 1 – Trim off selvage edges and square uneven edges as needed.

Step 2 – Cut a 4" square from each corner of fleece

Step 3 – Cut 4" x 1" wide fringe around blanket

Step 4 – Using a seam ripper or small scissor, make a tiny slit in top of each fringe

Step 5 – Feed the end of the fringe through the back side of the cut slit and pull through to create a neat and secure fringed edge.
