## **Our Mission:**

To equip kids with the tools and skills necessary to combat generational trauma from addiction in a Christ-centered environment.

## **Our Vision:**

Cameron's House of Hope stands as a beacon of support and stability for children impacted by parental substance use disorder. We work alongside our families by offering academic intervention, individual child and family counseling sessions, and mentorship for both child and caregiver. By cultivating their strengths and equipping them with essential life skills, we aim to instill hope and inspire positive change in their lives. Generational trauma ends with us.

# Cameron's House of Hope 5k

At Cameron's House of Hope, our hearts are overflowing as we prepare to host our very first 5K Walk/Run in support of the incredible children we serve. This isn't just a race, it's a powerful step toward hope. Every dollar raised helps us continue providing life-changing counseling, dedicated tutoring, and a safe, loving home for children whose lives have been impacted by parental substance use disorder.

When you walk. When you run. When you show up. You are telling a child, "You matter. Your story isn't over."

Each step taken on race day represents healing. It represents stability. It represents a brighter future for a child who deserves every opportunity to thrive.

The race will take place on the track and field behind Metrolina Christian Academy, kicking off at 9:00 AM. This is a day for the whole family, a celebration of hope and community. Bring your kids, your friends, your neighbors! We'll have food trucks, face painting, vendors, laughter, and moments you won't forget.

When you register, your fee includes a fun Cameron's House race t-shirt and race bib, but more importantly, it includes becoming part of something bigger than yourself. Bib and t-shirt pickup will take place during race week at Cameron's House of Hope, giving you the chance to step inside the very home you are running for, to see the warmth, the safety, and the lives your support is helping transform.

This is more than a 5K.  
It's a movement of compassion.  
It's a community standing in the gap.  
Run for a cause.  
Walk with purpose.  
Laugh with friends.  
Change a life.

Together, we can help break the cycle, one brave, hope-filled step at a time.

# Thank You

## To our incredible sponsors and supporters,

There truly are no words strong enough to express our gratitude.  
Because of you, children who have experienced uncertainty will experience stability.  
Because of you, children who have felt confusion will receive guidance.  
Because of you, children who have lived in the shadow of addiction will be surrounded by support, compassion, and unwavering care.

Your generosity is not just a donation. It is counseling sessions that help little hearts heal. It is tutoring that builds confidence and opens doors. It is access to resources, mentorship, and consistent encouragement that reminds a child they are not alone.  
You are helping us break a cycle that has affected generations. You are stepping into the gap and saying, "This ends here."

Every step taken at this 5K.  
Every dollar given.  
Every share, every prayer, every act of support, it all matters.

The children we serve may not fully understand today what you have done for them... but one day, they will. One day they will look back and realize that there was a community who chose to fight for their future.

From the bottom of our hearts, thank you for believing in our mission, for standing with Cameron's House of Hope, and for choosing to invest in brighter tomorrows.

**With deep appreciation,**  
**Cameron's House of Hope**
