FALL UPDATE 2026

Baptisms, Discipleship & Friends for Dinner

"Go therefore and make disciples of all nations, baptizing them in the name of the Father and of the Son and of the Holy Spirit, teaching them to observe all that I have commanded you. And behold, I am with you always, to the end of the age." Matthew 28:19-20

Thank you again for partnering with us in prayer for the many internationals we interact with. All praise to God for the ways that He is transforming lives. One of the students that you have been praying for has dedicated his life to the Lord. As we were about to do the baptism class with him, we met another young lady from Hong Kong who recently gave her life to the Lord and wanted to learn more. These classes are always a great time to get to know the students' faith better and encourage them on their new walk.

The young man requested an outdoor baptism at Woodbine Beach in Toronto. This was an amazing time when those getting baptized were able to share their testimonies with about 30 people (as well as the many beach going onlookers), including some of our non-Christian students, members from our church and another one of our partner churches. Praise God for this time!

ALL IN DISCIPLESHIP CLASS

Another answer to prayer is that, starting in September, we have been able to commence a Wednesday night discipleship class called All In. The desire of this group is to support young believers in growing deeper in their faith, falling deeper in love with Christ, and encouraging them to make disciples for Christ. Similar to Tuesday night, we meet together, share a meal and then have a time of discussion. However, because we have specifically invited Christians, we go much deeper than we can on Tuesday nights when we have students who have sometimes never even seen a Bible. Please be in prayer for these nights that God would be at work. And for the added work of shopping, cooking, preparing and leading these nights back to back.

We had a great annual Trip to Fair Havens on August 22nd. We had many internationals attend, grow in friendships, try new things, and have Canadian experiences. We challenged them to think and consider whether there might be more to their life than what the world suggests. We were also able to have another group of internationals come up for a day on September 5th. Both times were a great time spent in God's creation.

"The heavens declare the glory of God, and the sky above proclaims his handiwork."
- Psalms 19:1

UPCOMING SUMMIT RETREAT | FAIR HAVENS SPONSORSHIP NEEDED!

We will be partnering with Power to Change's Bridges at U of T group to bring a group of international students to Fair Havens for a Spiritual Retreat weekend at the end of September.

We have two requests:

First, please pray with us that God would send the students that he desires to be there.

Second, if you are interested in helping to sponsor students to be able to join this retreat, please reach out to us directly. We don't want finances to be something that stops anyone from being able to come. You can call or text **Isaac at 416-428-8719** or email him at **isaac.medler@sim.org.**

Please pray with us for...

Continued discipleship opportunities. May God continue to direct and guide discipleship and even bring forth others to partner with us in discipling these young people, as we only have so much time.

Summit. May God direct the students who he desires to come on the **retreat at the end of September.**

Our Home. Please continue to pray for safety over our home. May God continue to open doors to speak into the lives of these students.

Homeschooling. May God continue to guide us during these times, and we desire to disciple and educate our children.

The New Fall Semester. Pray for our regular nights during the week, including Explore Night on Tuesday Nights, All In on Wednesday nights, Friday Pickleball, and Sunday After Church Services.

Please pray for specific students.

Please pray for **T and her sister T** (who recently arrived in Canada from Iran after many prayers. We praise God for answering our prayers in this way), as they continue to grow in their relationship with God. Praise God for the ways that He is working in their lives.

Pray also for **C, K, E, D,** and many others who are searching.

Pray also for the **students in our home** that we may have opportunities to share the Truth with them.

Thank you for your prayers!
