

Isaac & Nikki Medler

HOSPITALITY EVANGELISM

With SIM in Toronto

Esther (7) Gracie (4) Levi (16 m.)

NEW: SUPPORTED BY GGC AS OF MAY 2026!

MEDLER'S MINISTRY FOCUS

REACHING THE NATIONS IN TORONTO.

So they can reach their people around the world.

From an early age, God placed a deep sense of urgency on both Isaac and Nikki's hearts for lost people who needed Jesus. As God brought them together in marriage, they first thought they would serve overseas; but in time God showed them His heart for **the nations at their doorstep** in Canada's largest and multi-ethnic city. God opened their eyes to the millions of immigrants and international students He was drawing to Toronto and many parts of Canada. People are coming from many unreached nations of the world where it is difficult for missionaries to go, yet **the nations are coming to us...to our country, cities, and neighbourhoods.**

Medler's goal: To share the Gospel with the unreached peoples of the world who have gathered in Toronto; allowing God to transform their lives and help them to become influencers for Him within their cultures and countries. And they are doing it...through conversation, through hospitality—inviting individuals and groups into their home. They are showing and sharing the love of Jesus, and seeing people respond to His gift of salvation!

PRAY FOR THE MEDLERS (May 2026)

For this month of May and the summer, please pray for:

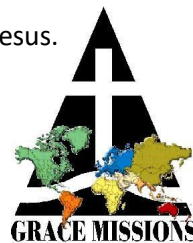

1. Spiritual Retreat weekend at Fair Havens, May long weekend: for good, deep Spirit-led conversations.
2. Explore Night: every Tuesday night fellowship meals in our home with gospel conversations.
3. Students traveling and returning home, that the Gospel would go with them to families/countries.
4. Friday Pickleball Outreach: Pray for more newcomers and international students to come.
5. Preaching and traveling as a family to help mobilize the church of Canada.
6. Safety and protection for our family and house.
7. Energy for us to do everything God has given us, as we are very busy.

One Student's Story...

Praise God for a Vietnamese student who came to our house for friends for dinner. This student had never heard about Jesus, but was drawn by friendship we extended. One dinner turned into many, and long conversations as he wrestled with the claims of the gospel. Over the course of a year through discipleship, he came to Christ. He became like part of our family, growing in understanding the Bible and learning to share his faith with others.

In time, he became concerned for his family, and he shared his new faith with his mother in Vietnam. She needed a Bible, and through missionary contacts, we were able to arrange for a pastor to visit his mother. He had never known about a Christian church in his city, only to discover that there was a church meeting within 5 minutes of his home! The pastor brought a Bible for his mother, and through her son's witness, she also accepted Jesus. Now we are training and discipling him to bring the Gospel to his own country.

Thank you for praying for us as we commit to this work of **reaching the nations in Toronto so they can reach their people around the world.**

Typical weekly "Explore Nights" at the Medlers!
