

MEDLER FAMILY MISSIONS

God has called us to serve the international students
and newcomers to Canada in Toronto

On July 1st, 2023 we began full time with SIM. We are seeing God work in amazing ways as we serve Him. He is bringing people from the unreached nations of the world to Canada. There is such excitement as the Church of Canada had a crucial role in loving the foreigner with God's love.

Who is SIM?

SIM (our missions organization) has a long, rich history of going to the hard places to share the gospel. They are focused on partnering with the church to reach the world. They send workers from Canada to more than 70+ countries and receive workers to the quickly growing Canada Field.

Our Call

From an early age, God has placed a deep sense of urgency on our hearts for the lost world around us. We first thought we would serve overseas, but by spending a short time in Asia, **we heard God calling us to serve the nations at our doorstep.** We thought, "this can't be", why would God ask us to stay when the unreached world was overseas. God spoke clearly to us and opened our eyes to the millions of immigrants and international students He was sending to Toronto and many parts of Canada. **"The Harvest is plentiful and the labourers are few"**- Matthew 9:37. We need more Christians fully on mission for the Gospel right here in Toronto and Canada. **Millions of unreached people are coming to Canada** and have never heard the Good News of Jesus Christ. God has called us to join SIM to further this mission right here in our own city.

Our Mission

Our goal is to share the Gospel with the unreached peoples of the world who have gathered in Toronto; allowing God to transform

their lives and help them to become influencers for Him within their cultures and countries. We are humbled to say that we are witnessing God doing this through our ministry.

We are working with international students and newcomers to Canada. We hope to multiply our effort through **partnering with local churches** and Christians and equipping them to work alongside of us. The Church of Canada has an amazing opportunity to get involved in this ministry.

Hundreds of thousands of newcomers to Canada are coming to live in Toronto each year. The opportunities to befriend and love these students and newcomers are endless. They long for authentic Christ-like love, friendships, and practical help like navigating healthcare, education, and social systems.

Our Home and Ministry

God is doing some amazing things in our home and ministry.

About one year into the pandemic we moved our family from Scarborough back downtown into the neighbourhood of our church. God provided us with a home that allowed us to house over 13 international students, many from East Asian countries, in our first three years. Through much prayer we were able to provide a safe place where international students could live in community with our family.

We have had daily opportunities to share God's love with those in our home and countless times to share the Good News through the strong relationships we've been able to make. Our home is in many ways a hub for our ministry. Through housing students, hosting meals, hangouts, and Bible studies, God has been using our home as a blessing for many.

We have also partnered with churches to empower them to reach out in love and participate with us in this ministry. We have seen churches get excited about the role that they can play in this front-line missions.

We have seen international students and newcomers lives being touched with the Gospel. Through this relational ministry God has brought people to Himself and we have witnessed individuals giving their lives to Christ. We are so excited to have more opportunities to build relationship with the many international students and newcomers to Canada who are facing many practical physical, social, spiritual needs.

Our Request

Would you prayerfully consider partnering with us! This can be by praying, receiving our email updates, and/or giving to our ministry. We raise a monthly support to live as a family in Toronto and serving in the heart of the city and would appreciate it if you would consider investing in us and our ministry.

There are also many unique ways you can get involved in the ministry itself, ex. career mentoring, befriending a student or family, hosting international students for a meal and more. If this is something that interests you, please let us know and we would love to talk to you or your church more about this.

Our Prayer Requests

Please pray with us for...

- Canadian Churches, may they continue to open their eyes to this urgent mission that God has placed on our nation's doorstep.
- The many international students and newcomers with whom we have contact. May the truth of God's love shine through us to these individuals.
- Wisdom as we serve God in this ministry. That we may be able to effectively communicate the mission that God has put on our hearts to the many churches and individuals.
- Protection for our family as we choose to serve God in this way.

Please let us know if you would like to get our prayer letter!
