BRAZIL MISSIONS

A NOTE FROM

Lucas & Michele Souza

Grace and peace, Thank you Grace Gospel Church for the donation made earlier this year to purchase musical instruments for the children.

"My family is doing well we are adapting to this new phase in our ministry, Timothy is doing well, growing up healthy, thanks to God...

We start the instrument classes, we have 5 students and there are others wanting to enter the classes ... Michele is going to teach a girl singing.

Here are the musical instruments that we bought with the church's offering." - Lucas
