

GOSPEL COMMUNITY HUDDLE GROUP GUIDE

Huddle Groups are smaller groups of 2–5 men or women, typically from the same Gospel Community. They meet for 30–90 minutes to intentionally encourage one another, talk honestly about their spiritual formation and everyday life, and pray for one another.

The questions below are intended to serve as a guide for your time together. One person in the huddle can facilitate the conversation by using these questions.

As you share, seek to **speak the gospel** into one another's lives rather than simply offering advice or solutions. Remind one another of what is true in Christ and apply those truths to each person's circumstances. Don't feel pressure to have all the answers. Listen well, ask thoughtful questions, pray together, and trust that God often works through faithful presence.

1 - How is your soul?

How have you been doing with Jesus this week? Where have you sensed His presence, His grace, or His absence?

2 - Where have you experienced God's grace? Where do you need His grace today?

Where have you seen growth? Where have you struggled with sin, discouragement, fear, or temptation?

3 - What has God been teaching you through His Word and Spirit?

How has God's Word, through the work of the Holy Spirit, been shaping your heart, your thinking, or your obedience?

4 - Is there anything you need to bring into the light?

Is there any sin to confess, burden to carry together, or area where you need prayer and encouragement?

5 - Who is God inviting you toward?

How are you intentionally living on mission with your family, neighbors, coworkers, or friends?

Is there someone God is inviting you to love, encourage, or share Christ with?

Close by praying for one another and scheduling your next huddle.
