Series Overview: This series will focus on the names of God as found in Scripture, including Hebrew and Greek terms. Studying the names of God opens a window into God's character and reveals who God is, what God is like, and what God has done and will continue to do in our lives. The more deeply we understand the meanings of God's names, the stronger our faith grows. As one songwriter put it, "got to know Him in a better way," because it is possible to memorize God's various names without truly grasping who God is. This series will also focus on strengthening discipleship through spiritual disciplines like prayer, sabbath, and meditation,

Spiritual Learning Objectives: After studying the names of God, disciples will be able to:

1. Identify and define the major names of God and understand what each reveals about God's character.
2. Articulate personal statements of faith about God based on each name studied
3. Develop deeper confidence in God to strengthen one's convictions about God's power and sovereignty
4. Express how knowing the names of God helped expand how I pray, worship, and witness to others
5. Increase biblical knowledge, strengthen fellowship, and develop a stronger devotional life
