HIGH
SCHOOL

FALL RETREAT

NOVEMBER 13-15

**A weekend retreat
featuring powerful
worship and Spirit-filled
speaking that encourages
students to go ALL IN
with Jesus.**

WHAT IS ALL IN ALL ABOUT?

High school students have fast-paced, hectic, demanding lives. They often juggle school, athletics, extracurricular activities, jobs, church activities, family activities, and friendships. In the midst of so many demands, it can be difficult to hear the voice of God.

All In allows high school students some breathing room to either hear God's voice for the first time or remember that He is still present and available to them. We know that the more space and opportunity high school students have to genuinely connect with God, the more their lives will be transformed.
