NS Missions

GLOBAL PARTNERS

Missionaries: Gary and Allison Hale, Kacey and Wade Rainey

DR Vision seeks to make a reproducing impact for Christ throughout the country and all of Latin America. All of their ministries – Las Palmas school, sports ministry, Mercy Workshop, a medical clinic, and two local churches – are designed to meet specific needs in the community with the intention of making disciples.

Missionaries: Mark Petrou

The Petalouda educational center believes change is possible in Jesus' name. This ministry nurtures the Roma community by helping them with things they never thought possible: reading, writing, applying for jobs, learning new skills, and more.

Missionaries: Stephanie Alderman, Suzanne Mauritzen, Roberts Family, and Freeman Family

The 6 Degree Initiative is a church planting movement focusing on the unreached people groups just north of the equator in West Africa. This area has been greatly impacted by Voodoo and the exportation of human life through the slave trade. The missionary team partners with national leaders to plant churches in the least-reached cities of the region.

NS Missions

GLOBAL PARTNERS

Missionaries: Curt and Caroline Duncan

The Duncans are working with a team to reach350 towns north of Venice, which is currently 97% unreached. They support church planting efforts through youth ministry, sports ministry, and refugee outreach, as well as offering therapeutic care to missionaries, cross cultural workers, refugees, and human traffic victims.

Missionaries: Jordan and Tia Gitgood

Hamtramck was the first city in the United States to have a Muslim-majority population, and the call to prayer from the Mosque is audible to the entire city. this 2-square-mile town is 50% Muslim and 50% impoverished.

Missionary: Michaella Osborn

Clarkston, Georgia, is a refugee resettlement community and home to people from more than 60 nations. The most diverse square mile in America! Michaella comes alongside refugee students in their local apartments, schools, and churches
