

RV Information

So, you're bringing your RV to retreat. Awesome! Here's what you need to know:

- You will not need to pay an additional fee to stay in an RV spot. The church will take care of that for you.
- You will have to fill out the RV waiver form when you arrive on-site. **Do not pay the additional "rate per night" fee—you can leave this section of the waiver form blank.**
- Please refer to the Trinity Pines map on the retreat webpage for the RV park location. The easiest (and recommended) way to get to the RV park is to enter through the south entrance off of Cabarton Road.
- There will be power and water hookups. On the map you'll also see the RV bathroom. This bathroom will have running water as well.
- After pulling into the RV park, a staff person will be ready to direct you. They will assign you either a spot, or a section, to get settled into.
