## MAIN IDEA

WHEN THE FLOOD IS IN THE FRAME

## TALK ABOUT IT

1. When have you experienced a situation where you could clearly see what God was calling you to, but something significant was standing in the way?
2. What stood out to you most from Joshua 3 or the sermon, and why?
3. Why was crossing the Jordan River such a pivotal moment for Israel?
4. What does the Ark of the Covenant represent, and why did it go before the people?
5. Why do you think God told the people to prepare themselves before the miracle happened?
6. What does it look like in your life to “consecrate yourself” or prepare your heart for God?
7. Are there areas in your life where you might be holding back from fully surrendering to God?
8. Why is it important to remember and declare God’s promises in difficult seasons?
9. What is one promise from God’s Word that you need to hold onto right now?
10. How can speaking God’s promises change the way you respond to fear or uncertainty?
11. Why didn’t God part the Jordan River before the priests stepped into it?
12. Can you share a time when you had to step out in faith before seeing the outcome?
13. What “Jordan River” are you currently facing in your life?
14. How can focusing on God’s presence instead of your problem change how you respond to challenges?
15. Which is hardest for you right now: preparing your heart, declaring God’s promises, or stepping out in faith?
16. What is one specific step of faith you believe God is asking you to take this week?
