Prayer

Our Father who art in heaven, we reverence Your Holy name. We are grateful for your Lordship, and we are honored to be called your children. Thank you for adopting us and making us joint heirs with Jesus our wonderful savior. Thank you for the sacrifice He made to redeem us and restore our fellowship with You.

Father, we ask you to forgive us of our sins (leaving our first love and doubting you and for not being steadfast in our daily walk with you and standing on your promises). We repent of everything that have put distance between us and caused us to miss the assignment or path you purposed for us. We ask that you visit us, oh Lord and restore the joy of our salvation, our health, our strength and give us what we stand in need us.

Help us to remember your love, your mercy, and your grace that You offer daily and help us not to take them for granted. Give us wisdom and revelation knowledge and make us sensitive to your voice and the leading of Your Holy Spirit so that we may spread your spiritual blessings and impact all those we encounter.

We pray for divine insight and divine protection as we do your will. Thank you, Father, for your faithfulness to answer when we call.

In Jesus' mighty name we pray, Amen!
